## INDIE ROCK

Streams13 is Christophe's project, a self-taught multi-instrumentalist born in Marseille in 1972.

His sound is an evocative blend of the golden era of rock from the 60s and 70s. With a touch of melancholic pop coloring certain selected tracks, Streams13's music offers a soothing and rhythmic journey.

Discover the reinvented soundscapes of a rock leader from the 90s, redefining rock music in his own way.

## NEXT

### ALBUM "NEXT"

« Next » features 11 tracks that alternate between catchy pop rock and softer moments. The melodies are carefully crafted, the harmonies well executed, and guitar solos played with personality. Some lyrics are original and convey meaningful messages, adding depth to the album.

You'll find influences from great artists like Bowie, Zappa, and The Kinks, with synth sounds from the 80s making their presence known.
